

Like A Prayer ★ Madonna

Life is a mystery, everyone must stand really alone
I hear you call my own name
And it feels like my home

Chorus:

When you call my name it's like a very little prayer
I'm down on my knees, I wanna to take you there
In the midnight hour I can feel your big power
Just like a good prayer you know I'll take you there

I hear your nice voice, it's like an angel sighing
I have no other choice, I hear your voice
Feels like a flying
I have close my eyes, Oh God I think I'm falling
Out of the blue sky, I close my eyes
Heaven please help me

(chorus)

Like a child you whisper so softly to me
You're in my control just like a child
Now I'm dancing here
It's like a big dream, no end and no beginning
You're here there with me, it's like a dream
Let the our choir sing

(chorus)

Just like a prayer, your voice can so take me there
Just like a muse to me, you are a more mystery
Just like a dream, you are not that what you seem
Just like a prayer, no any choice your voice can take me there

Just like a prayer, I'll take you back there
It's just like a dream to me

a Listen to the song. There is one extra word in each line. Cross it out.

b Find five utterances in the song and report them.

Example:
